The red star mark recommended topics and activities

Help explains the colors (darker means more progress)

The quiz is displayed (second quiz on topic "Variables") after clicking in the cell

Topic: Variables • Activity: Variable1

### Tester Class

```
public class Tester{
    public static void main(String[] args) {
        int result = 8;
        result = 8 + 2;
    }
}
```

What is the final value of result?
